recorded d.d.:	recorded by:

date of transponder placement  
dd/mm/yyyy

name of passport consultant/  
veterinarian

name of applicant

-----

-----

-----

signature

signature

-----

-----

The I&R form is essential for registering horses and forms the basis for issuing a passport. Improper use is penalised by the NVWA. This applies to the applicant, owner and/or breeder when providing false data or placing false signatures. For the authorised passport consultant or vet, this applies when the form is authorised without placing the transponder, without verifying data, or without correcting errors.

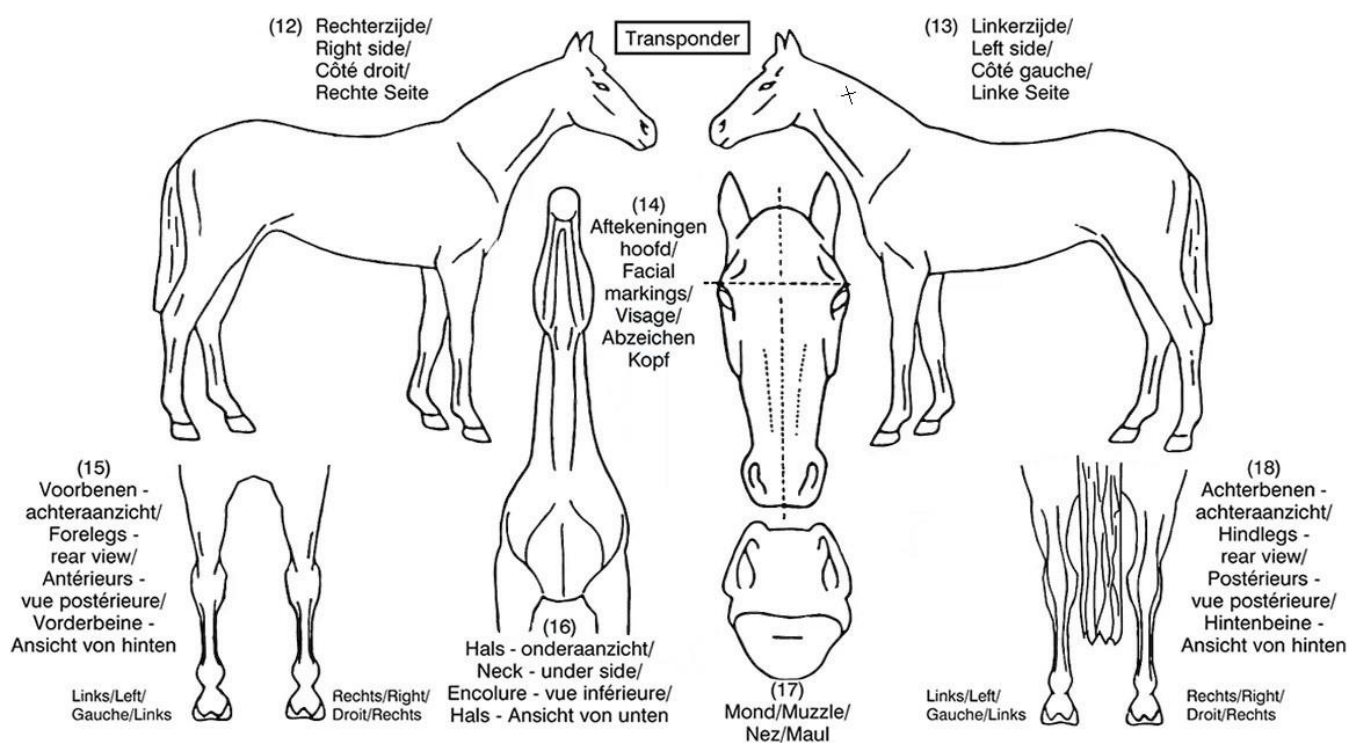

### Payment by bank

Please transfer your payment to IBAN number: NL75 RABO 0132 3128 16

Attn: WPCV, stating the name of your pony.

For rates see [www.wpcvnederland.nl](http://www.wpcvnederland.nl) or send an e-mail to Clemens Verspeek [wpcv@hetnet.nl](mailto:wpcv@hetnet.nl)

stable name and animal name  
(take over from page 1)

## Working method

1. Fill in the birth notice/decreed (even if the foal is from own stallion x own mare).
2. Complete the I&R form and attach the original birth notification/decade.
3. When the foal is at least 6 weeks old, you can have the foal chipped and apply for the passport.
4. Contact a passport consultant or vet.  
On our website, you will find a list of passport consultants who chip for the WPCV.
5. The passport consultant charges a call-out fee and an insertion fee.
6. The production date of the passport must be within 9 months of the foal's date of birth.
7. If the production date of the passport is later than 9 months after birth, the foal will be excluded for human consumption.
8. The foal must be walking at the foot of the mare at the time of chipping.
9. Give the original form to the passport consultant or vet, who will check the form or complete it if necessary.
10. The passport consultant will take the I&R form and send the original to the WPCV registration office, or he will give it to you so that you can send it to the WPCV registration office within 7 days.  
If the vet has microchipped the foal, you must return the form and send the original to the WPCV registration office within 7 days.
11. Keep a copy of the birth notification/death certificate and the completed I&R form for your records.

For rates or questions, please visit our website [www.wpcvnederland.nl](http://www.wpcvnederland.nl) or contact Mr. Clemens Verspeek on 06-34737835 or by e-mail at [wpcv@hetnet.nl](mailto:wpcv@hetnet.nl)

**SEND THE I&R FORM DIRECTLY** (max. 7 days after microchipping)  
**YOU WILL THEN RECEIVE AN INVOICE, PAY IT AS SOON AS POSSIBLE TO AVOID A RESTRICTED PASSPORT.**
